

Quality Policy Statement

Vosseler (UK) Ltd approach is based upon applying its corporate values to all areas of the business and promoting a culture that encourages the identification of innovative ideas, the application of integrated solutions and the achievement of continuous improvement in business performance.

Vosseler (UK) Ltd purpose is to supply our customers with the products and services they require so we have developed a Quality Management System that satisfies the requirements of ISO 9001. This Quality Management System forms part of our Integrated Management system which conforms to ISO 14001 (Environmental Management) and OHSAS 18001 (Health and Safety) as well as ISO 9001.

Vosseler (UK) Ltd is committed to:

- Working within alliance agreements, joint ventures, partnerships, partnering arrangements and conventional relationships to acceptable systems
- Consistently meeting the quality of products and services specified by clients and continuously improving performance in all activities
- Providing relevant training to ensure that all employees are competent to carry out their work
- Providing products, services and solutions that meet the needs and aspirations of its customers
- Targeting the reduction of remedial and abortive work and the wastage of material resources by carrying out operations in an effective and efficient manner
- Adopting an approach of evaluating the effectiveness and adequacy of operations and processes through established monitoring, measuring and reporting methods, and to ensure that as improvements are identified, they are introduced in all relevant parts of the business.

We will involve all our staff in implementing and continually improving the effectiveness of this system and will provide the personnel and resources to ensure that the importance of meeting and exceeding customer requirements is communicated and understood throughout the organisation.

Furthermore, we will establish monitor and review quality objectives on a regular basis in order to foster continual improvement in all our activities. This policy will be reviewed for continuing suitability and effectiveness at management reviews and as required and appropriate.
